

# A. Orientation

## Class Schedule - November 2021

Classes meet Monday through Thursday mornings.

The "a" classes begin at 8:15am, and the "b" classes start at 9:15am and ends at 12:45pm.

Any exceptions to the timing of classes are listed with the class title. (e.g., 21a and 21b)

### Week 1

| Date    |    | Title                                                                 | Preparation                                                                                                      | Assignments and Exams                                                                                                                                   |
