Learning Outcomes

- Class Level: understand the expectations of a TLC Student.

Class Schedule – Student Preparation

- Packet A: 1-38.

Class Schedule – Assignments and Exams

- None.

Topic Focus

- Learning the geography of the school, parking rules, policies, procedure, regulations, and expectations of participating as a student.
- To create a positive and enthusiastic introduction to the program without minimizing the workload a student will be responsible for.

Thoughts, Advice, or Warnings

- During the lecture, stop frequently to check in on students understanding of what's being said.
- Be sure to be clear but move quickly as there is a lot of material to be covered. Keep it crisp, light and interesting but be sure to drive home the heft of the information they will be receiving.
- Be sure to stress no phones, food, drinks (other than water), sleeping or side talking in class as they are all distractions.

Materials, Equipment, and Supplies

- PowerPoint presentation, packet, attendance book
- Computer, projector, projector remote, projector screen, laser pointer
- Whiteboard with dry erase markers and eraser
