Classmarker

Grading your Quiz/Exam

- Classmarker will automatically grade your assignment and email you a copy of your completed test.
- Retakes. If you did not pass a test you may reserve space in the make-up room. If you are not making up hours, your time there will be at no cost. Retakes may be done at anytime before a student graduates. You may retake it for a grade up to a 70. These are done on paper copies.
- Please refer to your assignment grid on pages A: 29-32.

Gastrocnemius and Soleus

Trail Guide, Page 371

Gastrocnemius and soleus form the large mass of posterior leg muscle. Together they are known as the **triceps surae**.

The superficial **gastrocnemius** has two heads and crosses two joints - the knee and ankle.

Soleus is deep to the gastrocnemius, yet its medial and lateral fibers bulge from the sides of the leg,

When do you use your triceps surae?
