98b Integration Massage Receiver's Choice

- Find your session partner(s) and determine who will receive/give first.
- Givers do a brief interview to determine the receiver's focus areas and choice of techniques and protocols to receive.
- Givers: be creative in addressing the receiver's needs and focus areas –
use all of the many techniques you have acquired while you have been in school (deep tissue, side-lying, deep massage, orthopedic protocols, prone and/or supine positions, clothed stretches, etc.)
