Integration Massage: Swedish and Passive Stretches

- **Perform a full interview with SOAP notes. Email your SOAP notes to your instructor by the end of the class.**
- **Do not follow the Swedish routine exactly**
 - To treat an area, begin with general work, then deeper detailed work, and finish with more general work
 - Don't do all of the Swedish strokes on every body part
 - Do not use any techniques that we have not taught you in class
- **Incorporate every joint mobilization and stretch into your session**

Integration Massage: Swedish and Passive Stretches
